

COTTON PREPERATION

Engineered for fibre processing industry

Better Engineering For Better Fibre

To grow our global footprint across
120+ countries and partner with clients
to build a circular economy through
cutting-edge engineering support.

PINNING EXCELLENCE ACROSS DECADES

ZUVON, a globally recognised brand under the esteemed Bajaj Industries umbrella, is a trusted manufacturer & supplier of high-quality pins, pinned products, and engineered components for the textile industry. With a robust global footprint, we continuously set new benchmarks in precision, efficiency and innovation for fibre processing applications.

Our expertise extends across multiple sectors, including the worsted industry, hard & bast fibre processing, recycling & rag tearing, and cotton preparation. By combining advanced manufacturing capabilities with stringent quality control, we ensure that every product meets the precise needs of leading textile manufacturers worldwide.

With a strong commitment to engineering excellence, we continue to drive innovation, efficiency, and reliability across diverse industries.

FINGER SHEET

Compatible machines
LMW & Trützschler

- ◆ **Length Options:** Available from 800mm to 1500mm total length.
- ◆ **Frame Material:** The aluminium frame is constructed using the highest-grade alloy, ensuring durability and longevity.
- ◆ **Pin Material:** The pins are crafted from stainless steel, providing excellent resistance to corrosion and wear.

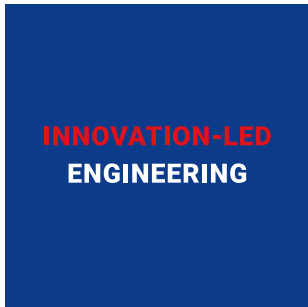

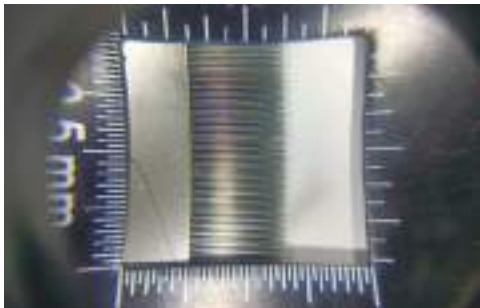

OUR PRODUCTS ARE COMPATIBLE WITH THE FOLLOWING MACHINE BRANDS

- ◆ NSC
- ◆ MILLENIUM
- ◆ TEXTIMA
- ◆ ST. ANDREA

OUR WORLD-CLASS MANUFACTURING INFRASTRUCTURE

Our state-of-the-art production facility delivers high-performance products with unmatched precision.

ENGINEERED IN INDIA, TRUSTED GLOBALLY

ENGAGING WITH THE INDUSTRY

We engage with industry leaders and innovators through client interactions, on-site visits, and participation in international industry events. These touchpoints strengthen relationships, showcase our engineering excellence, and keep us aligned with the evolving needs of textile and industrial applications worldwide.

TRUSTED BY CLIENTS ACROSS 80+ COUNTRIES

We work closely with 100+ customers across 80+ countries globally.
We partner with Textile Mills, select OEMs, and Service Providers.
